

# QRS Doctoral Studies Report

Please use this template for reporting on your annual meeting with the advisory panel. In preparation of the meeting you should draft your updated Individual Development Plan<sup>1</sup> and this status report. Both documents need to be signed by you and your advisory panel and forwarded to the QRS coordinator after the meeting.

Start date of the doctoral project:

---

Project progress:             5 months     18 months     30 months     other:

Date of the meeting:

---

Doctoral student:
